DETAILED ACTION

Specification

1. This application does not contain an abstract of the disclosure as required by 37 CFR 1.72(b). An abstract on a separate sheet is required.
2. The applicants filed a preliminary amendment 2/27/01 to insert section headings into the specification. However, the applicants apparently indicated incorrect page/line numbers to insert headings. Only the first heading "background of the invention" has been entered. The applicants need to indicate correct locations to insert the headings "summary of the invention", "brief description of the drawings" and "description of preferred embodiments".

Claim Objections

3. Claims 1-8 are objected to because of the following informalities:

Regarding claim 1, it is suggested changing the limitation "the unit circle" in line 15 to --- a unit circle of the complex plane ---.

Regarding claim 2, the applicants are invited to check if the limitation "representing a frame size" in line 6 should be changed to --- representing a number of the discrete information symbols ---.

Art Unit: 2634

Regarding claim 5, it is suggested changing the limitation "the unit circle" in line 16 to --- a unit circle of the complex plane ---, and changing "the discrete symbols" in line 27 to --- discrete symbols ---.

Regarding claim 6, the applicants are invited to check if the limitation "representing a frame size" in line 7 should be changed to --- representing a number of the discrete symbols ---.

Appropriate correction is required.

Conclusion

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Zangi et al. (U.S. Patent No. 6,608,862), Mitra et al. (U.S. Patent No. 5,533,063), Serfaty (U.S. Patent No. 5,293,401).

5. This application is in condition for allowance except for the following formal matters:

The applicants need to overcome the objections in the specification and claims.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
